47	my elderly parents cannot drive anymore. but the problem is the bus routes are very limited. they cannot take the bus unless I drop them off at one of the bus stops and then pick them up again at one of the other bus stops on this Citylink. After a while, it becomes boring because it's the same limited routes. they are not at liberty to take the bus whenever they want to because there is no bus stop within walking distance. ### Q25 Additional comments or suggestions to improve Citylink service:

1	I'm an international student, I have no car so that the bus is very important for me. I truly hope It can be improved in the best way.	10/6/2016 12:17 PM
2	It would be nice if the 100x left the Festival Marketplace a little earlier than 7:15am in order to get downtown before 8am so we could get to work by 8am.	10/5/2016 4:41 PM
3	I truly appreciate the Citylink Expresslink service to and from Downtown Oklahoma City. If I could ask that one thing change, it would be to alter the departure of the 7:15 a.m. bus to have it arrive in the heart of Downtown Oklahoma City prior to 8:00. The current schedule does not take into account any delays and still allow a rider to be in their office by 8:00. Yes, I realize two buses depart earlier, but I believe the 7:15 could be shifted up slightly to allow it to meet the needs of a greater number of riders. Again, thank you for this service.	10/4/2016 1:53 PM
4	intead of more buses running the same route, it should be more more buses running new route and new service areas,in edmond and between edmond and oklahoma city	10/1/2016 12:02 PM
5	100X being more frequent or staying at the Embark Transit Center for a few minutes longer or possibly somehow being more convenient with their bus times ? I seem to miss 100X by mere minutes , which causes me to wait for the next bus time(which I still gladly do, very thankful for this service no matter what).	9/30/2016 11:33 AM
6	It is a great service, I really appreciate that. I do have some suggestion and request. I take 100X bus and then route 3 or 1 bus to UCO. So each morning it is very good if route 1,2, and 3 buses can wait at the festival market place until the 100X returns from Oklahoma City. because there are a lot of people need connecting buses come in 100X bus and 100X bus sometimes late. So if the other buses can always wait until 100X comes, that would be awesome. One driver told that the buses are cleaning once a week and he has seen people peeing on seats. That is not appropriate even if its a "free" bus. So if possible try to avoid them. If you can make a "bus app" or real-time tracking website. So that people can track the bus and be at the bus stop when ever it comes. thank you	9/28/2016 10:34 PM
7	Need a bus that will go to I-35 or longer bus hours	9/28/2016 2:30 PM

12	Please be on time and be frequency.	9/26/2016 10:47 AM
13	This is awesome service! Great people!! Thank you for all you do! There needs to be a route on Kelly and 2nd street, Santa Fe. It would be nice to see Crest and Walmart on Santa Fe become a route of their own for the West Edmond riders not have to go into town just to go back to Walmart and Crest on Santa Fe. Thanks.	9/26/2016 10:41 AM
14	Come up to Broadway and Covell	9/21/2016 11:42 PM
15	I've had a good experience and would benefit from extended weekday hours to and from downtown, but otherwise satisfied.	9/21/2016 3:35 PM
16	It should be available till 7pm.	9/21/2016 3:29 PM
17	More stops by Social Security office, a bus to the zoo would be nice, from there you can take bus #22 to downtown OKC	9/21/2016 3:26 PM
18	I live in bus wasteland that exists north of the EMBARK routes, and south of the Citylink routes. I have no options to get anywhere on the bus, hence, I drive. I can't believe I work 5 miles from the house, and still have to drive since there are no public transit options.	9/21/2016 3:19 PM

42	Thank you and I really enjoy the bus drivers great people always nice!!	9/21/2016 9:28 AM
43	Going to Okc in the morning is fine. Mostly business people. But coming back is sometimes a little scary. There are homeless amd mentally ill people riding in to Edmond and being dropped off there to create problems. I had one guy try to get in my car with me. It was very frightening. After talking to several people, we believe it would be smarter for the city to charge for the Okc route. This would eliminate the problem if those people had to pay. It would save on police having to deal with the issues and be alot safer for the people in Downtown Edmond where they seem to be gathering.	9/20/2016 9:04 PM
44	I began riding the CityLink this summer and have been impressed with the service. The drivers I've had have been very courteous and helpful. The buses have been very well-maintained. I've felt safe with my daughter on the bus.	9/20/2016 12:41 PM
45	More frequent rides on main streets!	9/20/2016 12:04 PM
46	maybe up and down Broadway & back and forth on Edmond Rd. Don't buy any more buses like 1154 or 1153, maintain the Wi-Fi on 100X buses	9/20/2016 11:57 AM

53	24 hr bus service should be implemented	9/19/2016 5:41 PM
54	I think the Broncho link should have extended hours and it should run on weekends	9/19/2016 5:16 PM

## Citylink Edmond Survey 2016

55	Bus rides make me feel like a bird soaring through the sky of opportunity and freedom. I live to ride and ride to live. As long as I live, the bus will live on in me.	9/19/2016 5:12 PM
56	Overall i do like the bus service that Edmond provides. I do have some concerns. There are times when other passengers display disruptive behavior. however this is few and far between. I have had an overall great experience. I hope they expand the Oklahoma City bus services to weekends so we all have more access to events in downtown Oklahoma city.	9/19/2016 3:21 PM
57	The service is very good but i wish it would be till 9 pm	9/19/2016 3:12 PM
58	The drivers are very nice and professional. The buses are very nice.	9/19/2016 3:08 PM
59	Definitely more routes that go all around edmond. More hours would be very nice. More service areas and extended hours	9/19/2016 3:02 PM
60	Buses should run at least untill 12:00 AM. Should provide more time instade of one bus every 30 min, use 2 buses every 15 min. Have an updated the current location of the bus "phoen application" Make a real bus stop that is shadow area. If that provided at least there will be 35% more people using the citylink. And I'll sell my car.	9/19/2016 3:02 PM
61	It would be beneficial to have more routes after 5:30. The Driver's route was about to end and mine was the last stop on a usual route but because of its end, I had to get the closest I could get and walk home in the downpour rain.	9/19/2016 2:53 PM
62	I like it!	9/19/2016 10:39 AM
63	There is not bus service near / around Oklahoma Christian University. I hardly get to utilize this and I want to utilize it.	9/17/2016 6:06 PM
64	More convenient locations that are marked. Don't like to randomly wave a bus down	9/16/2016 5:24 AM
65	I love the bus because it serves so many people that don't have other options.	9/15/2016 4:28 PM
66	Citylink is awesome and I really like it because I cannot drive. I usually take 100X and then Route 3 UCO. Sometimes 100X is late and Route 3 has already departed. If you can please hold each bus till 100X comes from OKC to Market Place everytime that would be awesome. I prefer if there are more 100X buses. If you can please make a "bus app" live tracking system to track the bus on time. So people can track the bus and come to the stop.	9/15/2016 4:22 PM
67	Excellent service	9/15/2016 4:11 PM
68	Please the bus should work on weekends few times. pls.	9/15/2016 4:01 PM
69	none	9/15/2016 3:36 PM
70	Its great	9/15/2016 3:32 PM
71	More bike space is needed badly!	9/15/2016 3:24 PM
72	Run later hours	9/15/2016 3:19 PM
73	Later hours would be good for people who work later hours at least 12:00 midnight	9/15/2016 3:16 PM
74	Some drivers drive too fast, and sometimes can't stop for someone who's been waiting. Sometimes pully string won't work.	9/15/2016 3:12 PM
75	I think this is the best thing for Edmond.	9/15/2016 2:53 PM
76	Christy, Ronnie, Herb and Sam are reasons I love Citylink so much! Thank you to all for your kindness! :)	9/15/2016 2:50 PM
77	It's great!	9/15/2016 2:29 PM
78	Citylink is a very useful service	9/15/2016 2:17 PM
79	Don't use it	9/14/2016 1:13 PM
80	get rid of it, no one hardly rides it big waste of tax payer money	9/13/2016 9:41 PM
81	I often see people trudging along the edge of a field, which is private property, in order to eventually reach even a sidewalk. These people do not have a car. I'm lucky enough to have one, but would prefer to not have to drive it everywhere because that's bad for the environment. I refuse to trudge through mud when it's been raining. I refuse to walk through unkempt grass and have to pick off dozens of goathead stickers. I refuse to have to keep an eye out for snakes. So, I end up driving my car everywhere. But, what about the people who live in my neighborhood/area who don't? That's what they have to put up with. Please, either provide a bus to this area (2nd and Coltrane) or put in some sidewalks!	9/13/2016 6:54 PM
82	I'd like Citylink to expand and cover more areas of Edmond.	9/13/2016 4:35 PM
83	Route the Number 4 bus through Festival Market.	9/13/2016 3:23 PM

## Citylink Edmond Survey 2016

84	Na	9/13/2016 3:08 PM
85	We would like to see the bus stop at Oakbrook Shopping Center at Edmond Rd. & Santa Fe. Handicapped people in the Oakbrook addition could then easily get to a bus.	9/13/2016 2:38 PM
86	It would be nice to see this service extended to the whole edmond area. For example reaching towards the walmart on i35 to Santa fe	9/13/2016 2:29 PM
87	We need more streets serviced by Citylink. Need one on:1. Covell/Kelly- Uptown or Walgreens 2. Mitch Park - MAC Ctr 3. 15h St/Bryan - Spring Creek Plaza 4. Danforth/Bryant - Kickingbird 5. 33rd/Broadway - Carl's Jr. Then 2x/week: 1. Quail Springs Mall - from Kickingbird (middle)	9/13/2016 2:28 PM
88	Would be nice to have at least minimal service available on Sundays -- at least in the morning and early afternoon -- i.e., to get to church and back home	9/13/2016 2:17 PM
89	It is a nice service but half the time they cancel my route or leave me stranded for hours at a location	9/13/2016 1:01 PM
90	I would like to see service extended to Covell. Right now, the nearest location I go to is on Danforth & Blvd.	9/13/2016 12:36 PM
91	Nice service. But not a quality service. Better maintenance and cleaner buses would be nice. I would be happy buying monthly or even annual passes to support improvements. Sometimes the riders are mentally ill or on drugs/alcohol. This can be a problem. One time I sat down to find that my entire seat was soaked. I think that it was urine. It would be nice to have more bus shelters along the route.	9/13/2016 11:22 AM
92	Edmond hotel guests would benefit from this service	9/13/2016 11:16 AM
93	This service is beyond appreciated... Our first outing was just this past weekend; our experience was so positive that we plan to use it regularly.... We have also shared information about Citylink with family and friends and encouraged them to try it - for a litany of reasons. Citylink is just another testament to the magnificent livability of our beautiful, beloved Edmond....	9/13/2016 11:15 AM
94	Personally, I prefer more downtown service, as that is the only thing I use CityLink for, but I understand that it is perhaps more important to provide services to underserved people in Edmond. I would be happy to pay for the bus, but I also understand that this can be an obstacle to underserved people. I would be open to means-testing, but I understand that is probably more trouble than it is worth.	9/13/2016 10:50 AM
95	Service to city parks like mitch park, hefer park.	9/13/2016 10:48 AM
96	I love the idea of a good bus service for Edmond, but it is too limited in terms of times, locations the bus travels to and frequency.	9/13/2016 10:37 AM
97	No money spent on any free buses ever	9/13/2016 10:36 AM
98	Getting some way to get folks to and from downtown in equal time to driving alone would be a huge win.	9/13/2016 10:21 AM
99	I have been riding the 100x for 5 years and am appreciative of the service and hope it continues. Thanks for providing a great service!	9/13/2016 10:13 AM
100	on time...on time...on time. the inconveniences are only worth it b/c its free...if I had to pay I'd rather spend \$ on car.	9/13/2016 10:06 AM
101	It would be extremely helpful if a stop could be made near the State Capitol BEFORE heading downtown. Taking Lincoln south instead of I-235 could accomplish this easily.	9/13/2016 10:04 AM
102	Need to enforce the no music rule (we all don't like rap or opera).	9/13/2016 10:00 AM
103	It takes hours and a trip all over Edmond just to get to and from 1 place. 1 doctor's appointment can literally take the whole day.	9/13/2016 9:58 AM
104	I have noticed that with this service being free, there are more homeless being brought from downtown OKC into Edmond. I feel like this is a big problem for the city of Edmond, as it causes trespassing, theft and many other issues. I think it would be beneficial to charge for the service, so it can be better supported and rid some of the problem with bringing more homeless to our city. I don't feel safe while traveling in a bus with many of the homeless that we have brought to our city. Most of them have some mental disorders, and can tend to be unstable because of it. If CityLink would charge a fee for service and included a discount for seniors and students, I would happily pay for that fee, even though I wouldn't qualify for either of those potential discounts. Charging a fee would provide for more quality service, as well as would lesson the amount of homeless that ride the busses all day, and that our brought into our community.	9/13/2016 9:29 AM
105	Please consider covering the bus stops. Waiting for work in the rain and cold wind could be much improved with a covered stop.	9/12/2016 6:53 AM
106	the buses should be running after 5pm and on weekends	9/11/2016 6:38 PM
